

The property pays me. *You pay nothing.*

Apartment locating is a free service to renters: every building in Austin pays locators to fill units. That means you get a personal search, video tours and negotiated specials — **and the invoice goes to them, not you.**

01

Text me what you want

Budget, move date, neighborhoods, pets, parking. Five minutes.

02

I tour, film and shortlist

Video walkthroughs of the real units, ranked by your commute and priorities.

03

You pick, I negotiate

Move-in specials, effective rent, fees. Then I handle the application.
