

MOVING TO AUSTIN?

Don't fly in blind. I tour for you, film every unit, and negotiate the specials — so you sign with confidence before you land. **Free to you. Always.**

YOUR LOCAL ON THE GROUND

HOW RELOCATION WORKS

- **Remote-first.** Video walkthroughs of every unit, live FaceTime tours on request, and a shortlist ranked by your commute.
- **Sight-unseen support.** I check the floorplan, the parking, the noise and the neighbors so you don't have to.
- **Timeline-driven.** Corporate start date, lease end, or school calendar — I work backward from your deadline.
- **Flexible screening.** New job, out-of-state credit, or self-employed? I know which properties say yes.
